Dear Mr. Matthews:

Re: Millington, NJ Plant
NPDES no. NJ0002429

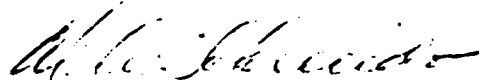

We are attaching a copy of a letter dated March 11, 1975 received from the New Jersey Division of Water Resources approving our proposed zero discharge concept for the subject plant.

In reviewing our files we find that we have not received any response to my letter of January 31, 1975 addressed to your attention.

We would appreciate your guidance as to the direction we should take.

Thank you for your assistance.

Sincerely yours,

W. A. Schmidt
Chief Engineer - Environmental
